Greetings!

Good morning! Today is a non-student Professional Development Day. Hopefully you received your goodie bag from CVTA! If you haven't please ask your site rep(s). (Additionally, each site should be having some type of celebration in lieu of an in-person CVTA Social...ask your reps if you haven't heard anything or email me, please.)

Many of you have asked about having to be onsite today. We have 184 contractual workdays, and we are required to be onsite for each of them unless we are using a type of leave. We are no longer under the Distance Learning MOU which allowed us to work from home during the 2020/2021 school year and therefore we do not have the ability to work from home on our contractual workdays (parent conferences are different, as those are mostly outside our contractual workday).

This afternoon CVTA Eboard will make a site visit to CVHS at 3:20 pm. Please ask your site reps to contact us if you would like a visit to your site. These can be done in-person or via Zoom, whichever the site prefers.

A Quick reminder about when you will see the raise and retro on your paychecks. Here is the information recently provided to us by payroll:

- April paycheck - raise and retro raise
- May paycheck - retro extra services
- June paycheck - retirement incentive
- July paycheck - perfect attendance stipend

Panelists Needed for Transfer Interviews - **Still needed**

With the new language regarding interviewing for transfers, we are going to need some panelists for the interview panels. We will need at least 2 CVTA members for each panel, and teacher panelists are paid for their time (both during the school year and the summer, as transfer opportunities become available). **If you are interested in being on a panel at your site for incoming transfers, or being available for summer panels, please let me know.** The language is very specific about CVTA assigning their own panelists, so telling your admin you are available is not sufficient. (Note: a transfer is a move from one site to another. A move within your current site is a reassignment, and is not subject to the interview process. Reassignments will continue to use the seniority process.)

CVTA Committees - **Still needed**

It's the time of year again to begin planning committees for the 2022/2023 school year. [Attached is a list of all CVTA Committees.](#) Please take a look at the list and let me know if you are interested in supporting your union through committee work.
