Greetings!

Good morning! Can you believe there are only 55 days left in this school year? I saw that posted somewhere the other day and couldn't believe it. It has also been 2 years since schools were abruptly shuttered and we began teaching on Zoom. Hard to believe. Today is the start of optional indoor masking. All other safety precautions should still be in place. Please be sure to remind students that masking is someone's personal choice, and no one should face criticism for wearing one or for not wearing one, as we each have our own level of comfort with the pandemic.

Next Monday (3/21/22) is a non-student PD Day. There are some great trainings available, so look for the registration email this week.

Last week we were able to attend the 2022 RCOE State of Education Address virtually. It's always inspirational to see what other districts are doing as well as hearing CVUSD mentioned for a couple of reasons. It's only 45 minutes long if you are interested in watching the recording. [View the RCOE 2022 State of Education Address here](#)

Status of the Tentative Agreement

As you know, Certificated Bargaining Unit Members voted to pass the TA with 71.9% voting in favor of the agreement. Last week, the CVUSD School Board voted unanimously in favor of the TA. The language is now officially contractual language and a new Collective Bargaining Agreement will be typed and printed for distribution.

Many of you have been asking about when you will see the raise and retro on your paychecks. Here is the information recently provided to us by payroll:

- April paycheck - raise and retro raise
- May paycheck - retro extra services
- June paycheck - retirement incentive
- July paycheck - perfect attendance stipend

Panelists Needed for Transfer Interviews

With the new language regarding interviewing for transfers, we are going to need some panelists for the interview panels. We will need at least 2 CVTA members for each panel, and teacher panelists are paid for their time (both during the school year and the summer, as transfer opportunities become available). **If you are interested in being on a panel at your site for incoming transfers, or being available for summer panels, please let me know.** The language is very specific about CVTA assigning their own panelists, so telling your admin you are available is not sufficient. (Note: a transfer is a move from one site to another. A move within your current site is a reassignment, and is not subject to the interview process. Reassignments will continue to use the seniority process.)

CVTA March Office Hours - Tomorrow 3/15/22

On Tuesday from 4:30-5:30 pm we have our office hours. This is a time for members to join the Zoom (at any time within the hour) to ask questions, share a concern, or just visit to see what others are talking about. We hope to see you there!

LCAP Focus Group - CVTA

This week on Thursday, from 4:30 - 6:00 pm, certificated bargaining unit members will have a second opportunity to get information and participate in the LCAP process. If you attended the first session, you may still want to join this one as it will have a different focus. You did not have to attend the previous meeting in order to participate in this one. Remember, the LCAP is a plan for spending priorities, and you get to have a voice in what those priorities should be. We hope you will take the time to participate in the decision making.
